SUBJECT: Weekly Activities Report No. 46
16 - 22 December 1960**I. SIGNIFICANT ITEMS**

None to report.

II. OTHER ACTIVITIES

1. I discussed the "Teaching About Communism" problem with Walter Elder - with the following results. Sometime during the second or third week of January, when the DCI has fifteen or twenty minutes, I will brief him on SIC's activities. Meanwhile, the Director (or Elder deciding for the Director) has indicated that he is not desirous of the Agency's taking an active part in the Chicago conference other than attending.

In addition, Elder pointed out that he has now taken over from [redacted] the responsibility for the DCI's book and that when he was thoroughly read into the project he would hope for a helping hand from SIC.

2. [redacted] is currently on leave - as is [redacted] his deputy and a War College classmate of mine. As soon as one or the other returns I will try to determine what their briefing requirements might be and arrange to fulfill them.

3. [redacted] handled the [redacted] on Wednesday. Each of them felt that the effort had been very much worth while - and that in addition to [redacted] helpful comments it had been useful to "dry-run" some of the substance and techniques which we will be using in the "Response" section of our JOT program. The Wednesday session resulted in some major changes in the techniques which we had planned to use - involving principally a requirement for more formal preparation by the JOTs.
